The Audit Committee appoints the Legislative Auditor, who heads the Legislative Audit Division (LAD). LAD staff monitor the efficiency and effectiveness of state agencies and audit agencies' financial affairs. The LAD also conducts information system audits to determine the effectiveness of the state's computer resources.

Specifically, an audit of a state agency is conducted to determine whether the agency is efficiently carrying out the activities and programs authorized by the Legislature; whether the agency is properly managing expenditures, using funds only to further authorized activities and in accordance with the requirements of applicable laws and regulations; whether the agency is properly accounting for all revenues, receipts, and expenditures arising from its activities; whether the agency is adequately safeguarding and controlling its assets and using them efficiently; and whether the agency is accurately reporting and fully disclosing its financial status and the scope of its activities and operations to the Governor, the Legislature, and central control agencies.

Section 5-13-311, MCA, provides for a toll-free hotline to the LAD that Montana residents may use in reporting fraud, waste, and abuse in state government. The LAD is responsible for maintaining the hotline, reviewing all calls received, keeping a record of each call, analyzing and verifying the information relayed in the call, and potentially conducting additional work to document the activity. The Legislative Auditor is required to periodically update the Committee on the use of the hotline, results of the reviews, verifications, referrals, and any corrective action taken by the appropriate agency. The hotline number is 1-800-222-4446 outside Helena and 444-4446 from a Helena location.

# Legislative Consumer Committee and Consumer Counsel

[http://www.leg.mt.gov/css/committees/administration/consumer\\_counsel/default.asp](http://www.leg.mt.gov/css/committees/administration/consumer_counsel/default.asp)

*Constitutional and Statutory Citation: Article XIII, section 2, Montana Constitution; Title 5, chapter 15, MCA*

The Consumer Counsel represents Montana public utility and transportation consumers before the Montana Public Service Commission, state and federal courts, and administrative agencies in matters concerning public utility regulation. The Consumer Counsel, a position required by the Montana Constitution, is appointed by the Legislative Consumer Committee.

The Committee is required to meet at least quarterly and generally convenes eight to ten times per year. Meetings involve reports on Consumer Counsel staff activities, review and status updates of current cases, and review of contracts with expert witnesses. Two senators and two representatives, appointed by the Senate Committee on Committees and the Speaker of the House, respectively, serve on the Committee.

Restructuring of the electric and natural gas utility industries is an issue of particular interest to the Committee, especially as utility rates are affected, and members will be monitoring the progress of the deregulation.

# Montana Heritage Preservation and Development Commission

*Session Law Citation: Chapter 469, Laws of 1997*  
*Statutory Citation: Title 22, chapter 3, part 10, MCA*

In addition to providing for numerous long-range building projects, House Bill No. 5 (Chapter 469, Laws of 1997) made possible the state's purchase and administration of Virginia and Nevada Cities and other historically significant state properties. To this end, HB 5 established the Heritage Preservation and Development Commission. The Commission consists of 14 members. The two legislative members are chosen by the Speaker of the House and the President of the Senate. The Governor appoints nine members of the public with backgrounds in tourism, history and historic preservation, community planning, and business. The directors of the Montana Department of Fish, Wildlife, and Parks, the Montana Historical Society, and the Montana Department of Commerce also serve on the Commission.

Although the Commission is charged with overseeing the acquisition of culturally and historically significant properties throughout the state, its first order of business is to manage Virginia City and Nevada City.

# Workforce Investment Board

<http://www.discoveringmontana.com/gov2/css/boards/workforce/default.asp>

*Federal Law Citation: 29 U.S.C. 2821*

*Statutory Citation: Section 53-2-1203, MCA.*

Passage of the Workforce Investment Act by Congress in August 1998 resulted in a transformation of job training and employment services, effectively replacing the Job Training Partnership Act system. The purpose of the Act, as provided in 29 U.S.C. 2811, is to "provide workforce investment activities . . . that increase the employment, retention, and earnings of participants, and increase occupational skill attainment by participants, and, as a result, improve the quality of the workforce, reduce welfare dependency, and enhance the productivity and competitiveness of the Nation". The Act further states in 29 U.S.C. 2821 that the "Governor of a State shall establish a State workforce investment board to assist in the development of the State plan" and to carry out other functions.

The State Workforce Investment Board serves in an advisory capacity to Governor Schweitzer on workforce investment issues, and provides broad oversight to Montana's two local Workforce Investment Boards. The State Board conducts much of its work through committees, and has established the following committees for the 2005-2006 interim: Executive Committee, Accountability Committee, Regulatory Committee, Apprenticeship Advisory Committee, and the Economic Development and Business Retention Committee. The Board is staffed from the Commissioner's Office of the Montana Department of Labor and Industry.

## Membership

The Board must include the Governor or the Governor's designee; two members of the House of Representatives and two members of the Senate; and gubernatorial appointees who are business owners, business executives, elected officials of local governments, representatives of labor organizations, individuals with experience in youth activities, experts in the delivery of workforce investment activities, state agency officials responsible for managing one-stop centers, and any other appropriate representatives, as determined by the Governor.

# Pacific NorthWest Economic Region

<http://www.pnwer.org>

*Statutory Citation: Title 5, chapter 11, part 7, MCA*

In 2001, the Montana Legislature pledged its participation in the Pacific NorthWest Economic Region (PNWER). The purpose of the PNWER is to synchronize the efforts of neighboring states and provinces to promote greater regional collaboration among the eight entities, enhance the overall competitiveness of the region in international and domestic markets, increase the economic well-being of all citizens in the region, and improve the quality of life of the citizens of the Pacific Northwest. States and provinces eligible to participate in the PNWER include Alaska, Idaho, Montana, Oregon, Washington, Alberta, British Columbia, and the Yukon Territory.

The PNWER consists of a Delegate Council, which includes the Governor or a designee and four legislators from each participating state and four representatives from each participating province and territory, and an Executive Committee consisting of one legislator from each participating state, province, or territory who is a member of the Delegate Council and four of the Governors, Premiers, or Commissioners or their designees.

Policy committees may be established to address specific topics. The Legislative Council is authorized under 5-11-301, MCA, to make Montana's policy committee appointments to the PNWER.
